

Park County Road 77 (Tarryall Creek Road) Construction

Project Information

The Federal Highway Administration- Central Federal Lands Highway Division (FHWA-CFLHD), in cooperation with Park County and Pike National Forest, has awarded a construction contract to Kirkland Construction, LLLP (Rye, CO) for the next phase of construction on Park County Road 77 (Tarryall Creek Road).

This project is the fourth phase of construction on the Tarryall Creek Road. This segment of the construction is located in the middle of the route, starting south of Tarryall Reservoir, and extending 9.2 miles to the southeast. The project is for full reconstruction and widening of the existing roadway. The primary scopes of work are: roadway excavation and embankment, rockery wall(s), aggregate base, superpave pavement, and drainage improvements.

Travelers will experience construction delays over the next 7-8 months. Construction operations have already begun and travelers should anticipate delays throughout the spring, summer, and fall.
